### 1. EVENTING QUALIFICATION OF COMPETITORS & HORSES (ART. 506)

Each NF must certify the qualification of each horse and rider and list the competitions which enabled horse and rider to qualify, according to the qualification procedure established for each star level as laid out in Art. 506.

#### 1.1. Principles

In order to compete at an international event, a rider and horse must have obtained a Qualifying Result (QR) at a number of events at a lower level.

The requirements are laid out below. With the approval of the FEI and their own NF, OCs may impose additional qualifications for horses and/or riders, which must be published in the schedule.

#### 1.2. Qualifying Result (QR)

A Qualifying Result (QR) is achieved by completing a competition within minimum parameters of all round performance. As follows:

- not more than 75 penalty points in the Dressage Test; and
- not more than 20 penalties at obstacles on the Cross Country Test, and not more than 90 seconds exceeding the optimum time in the Cross. For 4\* events, the maximum time by which the optimum time may be exceeded is 120 seconds as from 2005; and
- not more than 16 penalties at obstacles in the Jumping Test.

#### 1.3. Certification of Qualification for Events

1.3.1. All NFs, including the host nation, are responsible to certify that riders and horses entered by them in international events are correctly qualified in accordance with all the requirements of the Rules.

1.3.2. All qualifying events must be identified, and any national events must be certified as of at least the equivalent standard of difficulty as the relevant international star level of competition.

1.3.3. The Technical Delegate or his nominee shall check that all horses and riders starting at all International events are properly certified as qualified by their NF or duly exempted in accordance with this article.

#### 1.4. Qualifying Period and Deadline

1.4.1. QRs for CIOs, CCIs and CICs must be obtained in the calendar year in question or the 2 preceding calendar years.

1.4.2. The deadline for obtaining the final CIC/CNC QR is 2 weeks before the first Dressage day of the event unless an earlier date is specified in the Schedule. The deadline for obtaining the CCI QR is 4 weeks before the first dressage day of the event unless an earlier date is specified in the

Schedule.

1.4.3. Qualifications may be achieved as a combination or separately by rider and horse.

The area must be sufficiently large to allow horses to be evacuated from the stables in an emergency but still remain within the confines of the perimeter.

The stable area will include only stables. Lorries, caravans, etc. will be placed near the competition area.

Access to stables will be limited to those persons indicated in VRs Art. 1005.2.5.

At least one stable steward, directly responsible to the Chief Steward, must be present or readily available in the vicinity of the stable area 24 hours a day during the entire duration of the event. He may be assisted by deputies as required. The steward/deputies must regularly patrol the stable area, without establishing any predetermined pattern, to discourage any form of illegal practices or abuses to horses. Any misdemeanours must be reported immediately to the stable steward who must, in turn, report to the Chief Steward.

The duty of the stewards is therefore to safeguard the welfare of the horses and to prevent any form of illegal practices.

#### **WELFARE OF THE HORSE**

The following Code of Conduct was elaborated by the FEI for all people involved in the welfare of competing horses. The purpose is to ensure the health and welfare of horses participating under FEI Rules and Regulations and protecting the good image of the equestrian sport. To achieve the widest possible publicity it must be included in the **Schedules** and it is recommended that it also be included in the **Programmes** of all major international events.

#### **CODE OF CONDUCT**

##### **FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or

commercial influences.

1. *At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.*
2. *Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.*
3. *Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.*
4. *Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.*
5. *The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.*
