## **THE FEI CODE OF CONDUCT**

### **FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The VSM must ensure sufficient numbers of treating veterinarians are available for the type of Event and the number of Horses attending. The VSM may be the event treating veterinarian themselves.

### **FEI VETERINARIANS**

All veterinarians treating Horses during FEI Events, including Team Veterinarians, Athlete's Private Veterinarians and Treating Veterinarians must be registered with the FEI as FEI Veterinarians – either Permitted Treating or Official Veterinarians. Veterinarians must carry their FEI ID Card with them at all times when in attendance at Events and must present this on the request of FEI Stewards or Officials. Athletes are advised to ensure that any veterinarian they wish to treat their Horse during an Event is registered in the correct way with the FEI. Registering as an FEI Veterinarian does not give any automatic right to having accreditation which is issued by the event Organising Committee.

## **9. NOTES TO ORGANISING COMMITTEES**

FEI Veterinary Delegates must verify that adequate facilities and services are provided by the Organising Committee prior to the start of the Event, and ensure that FEI Stewards are aware of the requirements for the authorisation of Veterinary Forms, other treatments and the FEI Veterinarian ID Card during Events.

Organising Committees must also ensure that there are adequately trained stewards or designated individuals who will liaise with FEI Veterinary Officials to assist with the supervision of treatment areas. The Veterinary Forms 1-4 must be kept by the FEI Veterinary Delegate, referenced and submitted in their report to the FEI within 72 hours.
