THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1005 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.horsesport.org.

Section 2 Home Riders

Depending on the number of home riders competing internationally, the number of home riders may be increased to 60% of the total number of riders at the event. This may only be done upon receipt of a request from the NF concerned and may or may not be granted at the discretion of the Manager of the FEI Jumping Department.

Section 3 FEI Invitations for Foreign Riders

The FEI has the right to nominate two riders from developing NFs and / or overseas NFs by the deadline date established for nominated entries. The maximum number of times a rider can be nominated during the same season for this group is three. Vacant places under this section are filled in accordance with the conditions established for invitation of riders in section 4.

- 4.2 At least seven foreign NFs must be represented by riders in this section.
- 4.3 In this section specifically named riders can be invited. Nevertheless, NFs are free to send the riders of their choice providing that they are of a similar level. However, if an invited named rider, who is within the top 20 on the riders' world ranking list, does not accept the invitation another rider will be invited by the Organising Committee in accordance with the conditions established for invitation of riders in section 4.1. Disputes will be settled by the FEI Jumping Department.
- 4.4 If an NF is invited to send participants but decides not to participate, another NF is selected by the Organising Committee in accordance with the conditions established for invitation of riders in section 4.1
- 4.5 OCs which cannot obtain enough riders from the top 250 on the World Ranking list may invite riders up to the number required by continuing down the World Ranking list until the desired number of riders is obtained. This must be done in descending order. These cannot be pay cards.

Section 5 Six Riders below top 250

Each event is allowed to invite up to 6 riders below the 250th place on the World Ranking list. These places are open to home and/or foreign riders by invitation. This can only be done with FEI approval by requesting with schedule approval. These riders may be required to qualify through the B Tour for the A Tour competitions at the same event. These riders cannot be pay cards. These riders, if the OC decides to invite them, must be in addition to the total number of riders invited. In exceptional cases the Manager of the FEI Jumping Department may increase the number of invitations of riders outside the top 250 on the riders' world ranking list

There are no restrictions on Organising Committees in relation to the invitation of participants for amateur owner competitions and riders specifically invited for small tour competitions only. However, the total number of horses in the small tour must not exceed 100.

The following fines will be imposed on Organising Committees not respecting the above procedure: 1st offence CHF 20'000.-; 2nd offence CHF 40'000.- ; at the 3rd offence, the event will not be permitted to take place. These fines will be payable directly by the Organising Committees concerned to the FEI.
